

# New Times TASTE

## **The Daily Creative Food Co.**

2001 Biscayne Boulevard, Miami  
305-573-4535

Enjoy your specialty coffee drink with free wireless access or the newspaper. Sound familiar? Well it's not! It's the new upscale café in downtown/midtown with a newspaper motif you'll enjoy the moment you walk in. They have all of this and more. The Daily's unique signature sandwiches, with their newspaper namesakes, catch your eye first on the menu. Try, what else, the Miami New Times Funky Veggie: grilled portobello, spinach, zucchini, roasted peppers, mozzarella, and sundried tomato pesto on ciabatta. If greens get you going, you'll jump for joy at the custom-made chopped salads. You choose everything, including the lettuce to the large selection of toppings ranging from apple slices to hearts of palm. Add-ons are fresh and "Extra Extra"-ordinary with choices like chicken salad curry and chicken Cajun. Fresh baked goods, frozen

drinks, even gourmet foods — they're all there for your breakfast and lunch cravings. Dine in, take out, or enjoy the outdoor café. Whatever you desire, don't miss the scoop — of ice cream, that is!
